Be it resolved by the Alexandria city democratic committee, that ward meetings shall be held in the four wards of this city on Thursday, April 26th, 1900, from 5 p. m. to 7 p. m., for the purpose of selecting delegates to the democratic State convention, which will meet in the city of Norfolk on Wednesday, May 2nd, 1900, at which ward meetings only known democrats will be allowed to vote.

Be it further resolved, that the Court House precinct alone shall be used in the Third ward, and that in the other wards the meetings will be held in the Concordia Hotel, in the Second ward at the Mayor's Office, in the Fourth ward at Neale's marble yard.

In the First ward 317 votes were cast for Bryan, and this ward is therefore entitled to two delegates. In the Second ward 343 votes were cast for Bryan, and this ward is entitled to two delegates. In the third ward 728 votes were cast for Bryan, and this ward is entitled to four delegates. In the Fourth ward 442 votes were cast for Bryan, and this ward is entitled to two delegates.

Be it resolved by the Alexandria city democratic committee, that a primary election shall be held in this city on Tuesday, May 15, 1900, for the purpose of voting for candidates for Congress for the Eighth Congressional district.

Be it further resolved, that at this primary only known democrats will be allowed to vote, and the votes shall be cast directly for the candidates.

Be it further resolved, that all persons who intend to become candidates at this primary shall notify either the chairman or the secretary of this committee, in writing, on or before Saturday, May 12, 1900, and shall pay either to the said chairman or secretary their pro rata share of the expenses of conducting said primary, which expenses will amount to \$125.

Be it further resolved, that the candidate receiving the largest number of votes cast at said primary shall be allowed to name the entire delegation from this city to the Congressional convention.

Be it further resolved, that should only one candidate present his name to the chairman or the secretary of the committee on or before Saturday, May 12, 1900, that he shall be allowed to name the entire delegation from this city, without going to the expense of said primary.

**INCREASE IN VISITORS.**—A letter from this city to the Baltimore Sun says: "The visits of strangers to Alexandria have increased tenfold within the past five years. No pleasant day passes without groups of tourists making the rounds of the interesting places here. Of these Christ Church, Alexandria House, Washington Lodge and the Ellsworth House, where Jackson and the Ellsworths were killed, are the principal attractions. At Christ Church, since the new turnstile with counting apparatus was fixed in place two years ago, 19,388 visitors have passed through up to last evening. As the turnstile is not used on Sunday nor when there are services in the church, at which time throngs of strangers very frequently attend, and as some of the visitors do not enter Christ Church grounds, it is fair to estimate that about 15,000 strangers visit this city sightseeing every year, and this number increases every month. The advent of these tourists has given rise to a new avocation—that of Alexandria guides. They require no license, but display a silver badge. The avocation has already proved a reasonably remunerative one."

**KINDERGARTEN.**—The annual meeting of the Alexandria Kindergarten Association held at Peabody Hall last night was well attended and much interest was manifested. After the reading of the usual reports there was a piano solo most beautifully rendered by Mrs. O. F. Carter, and a song sweetly sung by Miss Lindsey. The address by Mr. William B. Powell, superintendent of the public schools of Washington, was most forceful and those present felt convinced of the truth of his statements concerning the advantages of kindergarten training, coming as they did from a man of his experience in educational matters and the many times elicited applause. The key note of his address was the importance of giving the child's mind the best training for his life work, and among other remarks said that the municipalities were surely, if slowly, beginning to realize that it paid to give the child the right kind of kindergarten training, followed by the right kind of primary teaching from a financial standpoint alone. The evening closed with a delightful song by Miss Annie Uhlir, followed by Mr. George H. Evans, who always charms with his rich voice. The following directors were elected for the ensuing year: Mrs. M. W. O'Brien, Miss E. C. McKnight, Mrs. R. F. Knox, Mrs. L. E. Uhler, Mrs. K. U. Taylor, Mrs. J. A. Marshall, Mrs. John Leadbeater, Miss Louise Smoot, Miss Mary Carlin, Miss Fannie Burke, Miss Rebecca Rambo, Captain K. Kemper, Messrs. R. F. Tucker, R. S. Jones, James F. Muir and John W. Herndon.
